Mr Sember

I do not wish to abandon my
patent claim 10/828,805 - 2875.

When I first read your communica-
tion I thought it said 3 months
rather than the 30 days or 1 month
that I now see it says.

That seems rather short notice,
especially for something that
took 2 years to initiate. And
to label my claim abandoned (within
30 days)
from 1 notice from you. What
if I was on vacation, or the mail
was lost?

I will send further communication.

Thank You

Wm Sember
